---

Thank you. This is the first time we have seen air data by the cove locations. Please continue to send. Have the ML02 and ML04 air monitoring locations been pulled, or are they still monitoring?  
Thanks, Ashley

Let's review these and send to DOH for review. I want to confirm they have been given this info.  
Thanks

**Subject:** Real-Time Monitoring Conducted Near Dawson's Cove

Heth,

As requested attached is a summary of real-time monitoring conducted near dawson's cove since 4/9/2013. Please note that the only data East of I-40 was summarized.

Thank You,
